

Climb K-5

ONLINE

<p>Overview</p> 	<p>Designed for students K-5, Climb was the first elementary career guidance program designed to link curriculum and careers. Now, this proven program has been taken online to provide more interactivity and better accessibility.</p> <p>Students are introduced to careers and their relationship to education through animated, kid-friendly characters.</p> <p>One hundred-fifty (150) different occupations are represented, organized into sixteen (16) career clusters. Career profiles contain audio and video to aid in reading comprehension and to motivate students to participate in the exploration process.</p> <p>Students may take a simple interest inventory that contains pictures, text, and audio prompts—a perfect assessment for students of all learning styles and ability levels.</p> <p>Interactive games will help students gauge their knowledge of material learned in fun and engaging manner.</p> <p>Reports will be available for teachers, counselors, and administrators.</p>
<p>Appropriate Grade Level</p>	<p>K-2, Special Needs students in grades 3-5</p>
